Major GPA: 4.0/4.0

WORK EXPERIENCES

Pennsylvania Office of the Budget, Comptroller Operations
Accounting Intern-GAAP Testing Responsibility Project

Harrisburg, PA
Summer 2013

- Examined Department of Revenue tax records to determine if each record's validity as either a full accrual or modified accrual transaction by determining if each is attributable to a tax period ending no later than the identified balance sheet date (June 30th of the appropriate year).
- Reviewed sales and employer taxes including evaluation of receivables and credits using Department of Revenue tax systems to analyze data for each record tested.
- Evaluated payment and credit transfers by identifying the final tax period, final account, and receiving period then compared the end date to the identified balance sheet date to determine validity.
- Performed other assigned additional work relating to accounting/auditing projects such as Unclaimed Property and Accounting Data for Procurement Projects.
