OBJECTIVE: To obtain a position as a civil engineer leading to a long term professional development and utilization of technical, organizational, and management skills.

EDUCATION: **Bachelor of Science in Civil Engineering** (Structures and Water Resources)
anticipated May 2011
The Pennsylvania State University, University Park, Pennsylvania
GPA for the major: 3.56/4.00
EIT certificate

Relevant Courses:

Structural Analysis	Design of Steel Structures
Design of Concrete Structures	Structural Analysis
Advanced Structural Design	Foundation Design
Water Resources Engineering	Open Channel Hydraulics
Fluid Mechanics	Water Resources Capstone Design
Civil Engineering Materials	Construction Cost Estimating

EXPERIENCE: **Engineering Intern, Bridge Maintenance Division**
Pennsylvania Department of Transportation District 2, Clearfield, PA
(5/10 to 8/10)

- Prepared DEP General Permits for pipe replacement projects
- Prepared bridge maintenance permits for typical bridge maintenance activities
- Prepared and reviewed erosion and sediment control plans
- Inspected installation of 5 precast box culverts
- Surveyed stakeout plans for 5 precast box culvert installations

Engineering Intern, Bridge Maintenance Division
Pennsylvania Department of Transportation District 2, Clearfield, PA
(5/09 to 8/09)

- Prepared DEP General Permits for pipe replacement projects
- Prepared bridge maintenance permits for typical bridge maintenance activities
- Prepared and reviewed erosion and sediment control plans
- Inspected installation of 4 precast box culverts
- Surveyed stakeout plans for 4 precast box culvert installations

Engineering Intern, Bridge Maintenance Division
Pennsylvania Department of Transportation District 2, Clearfield, PA
(5/08 to 8/08)

- Prepared DEP General Permits for pipe replacement projects
- Prepared bridge maintenance permits for typical bridge maintenance activities
- Prepared and reviewed erosion and sediment control plans
- Surveyed stakeout plans for 2 precast box culvert installations

Government Services Intern
Pennsylvania Department of Transportation District 2, Bellefonte, PA
(5/07 to 8/07)

- Controlled traffic to ensure the safety of a construction site
- Conducted manual labor in highway maintenance activities

SKILLS: MS-WORD, MS-EXCEL, SAP 2000, CAD, HEC-RAS, HEC-HMS

**HONORS/
ACTIVITIES:**

American Society of Civil Engineers Student Chapter
College of Engineering Dean's List

(9/07 - Present)
