EXPERIENCE

BRIGHAM AND WOMEN'S HOSPITAL, BOSTON, MA, USA

Pharmacy Intern 2014

Under direct supervision of a licensed pharmacist, helped deliver safe and effective patient care, reviewed and maintained patient medical record inclusive of their entire medication history. Experience included inpatient and outpatient services, operating room, multiple sclerosis center, sterile products division and renal & heart transplant clinics.

- Participated in clinical rounds with senior health care professionals, contributed to treatment plans and counseled patients on their drug regimens, adverse events and drug-drug interactions to ensure safe and effective treatment delivery.
- Prepared and dispensed drugs prescribed by physicians and other health care professionals.
- Managed and maintained patients medical and insurance records.
- Maintained proper inventory levels in accordance with the department's policy and guidelines.
- Experience with Brigham Integrated Computing System "BICS" and Partners Longitudinal Medical Record system "LMR".

MOHSEN PHARMACY, ASSIUT, EGYPT

Pharmacy Manager 2012-2013

Responsible for the management of the pharmacy. Handled all functions including: pharmacist, marketing, sales, finance, HR management, inventory management, legal.

- Took responsibility of the pharmacy with minimal handover and within a short period of time while maintaining business operations with minimal disruption.
- Strategically positioned the pharmacy in the market to win a strong price war while growing the sales by 30%.
- Improved the incentive pay scheme in place; this boosted sales growth, increased profitability by 1.2% and reduced employee turnover.
- Maintained and expanded a strong network of physicians, resulting in a 20% growth in the daily patient traffic.

MOHSEN PHARMACY, ASSIUT, EGYPT
