---

## WORK EXPERIENCE

**Royal Caribbean Ltd.** | Miami, Florida

*Accommodation's Maintenance Intern at Celebrity Cruises, Inc.*, June 2014 – August 2014

Analyzed and compared Celebrity Cruises' annual allocated budget to that of its sister brand, Royal Caribbean International. Assisted in the development of budget communication reports and tools. Reviewed and analyzed par levels and overtime for Celebrity's entire fleet of ships.

**Thermo Fischer** | Frederick, Maryland

*Global Operations Intern*, June 2013 – August 2013

Assisted in automating the inventory handling process within Life Technologies' distribution center. Designed a Kanban System for its laboratory using Microsoft Excel. Created a Bar Code Card using the "Bartender Software" for the advanced cell system.

**Gomelast** | Lima, Peru

*Warehouse Manager*, June 2012 – August 2012

Created a system optimizing how stock material was ordered when replacement parts were needed. Analyzed new methodologies developed to create an efficient storage system based on product turnover.

**Provelsa** | Caracas, Venezuela

*Manufacturing Intern*, June 2011 – August 2011

Evaluated a new strategic plan to change the production line of body cream products by importing it from a high quality Chinese factory. In addition, I calculated salaries, cost, raw material and logistics of the shampoo and cream body products.

## LEADERSHIP ACTIVITIES

**Alpha Epsilon Pi**

*Founding Father*, Fall 2011 – Present

Conceived and developed events and bi-weekly meetings. Promoted the country and culture of Israel.

**Penn State Israel Alliance**

*Vice-President*, September 2012– May 2013

Promoted Israel as a country and as a culture on campus and planned events and organized bi-weekly meetings.

**Society of Hispanic Professional Engineers**

*Member*, November 2012 – Present

Created a professional networking environment for Hispanic Engineers. Attended the Society of Hispanic Professional Engineers 2012 conference in Dallas-Fort Worth.

**Pennsylvania State Investment Association**

*Member*, November 2012 – Present

Created and developed an individual portfolio. Gained practical experience in banking, stocks, and bonds.

**Georgetown Gap Year**, January 2009 – May 2010

Participated in a four-month intensive leadership seminar developing leadership and teamwork skills while also learning about history and the current political climate.

---
