EXPERIENCE

FXCM Inc., Shanghai

December 2014—January 2015

Currency Analyst Intern

- Accomplished daily currency trading strategies on G10 FX (with specialization on USD/EUR/GBP/JPY, etc.) based on fundamental analysis (focusing on identifying key events around central banks) and technical analysis (focusing on short-term swing and break-through trading).
- Managed a mock account with trading volume of \$50,000 and collected the data of each day's foreign exchange market.
- Prepared daily analysis report and presentation.

2Redbeans.com, Dublin, CA

June 2014—September 2014

Market Research Intern

- Used Google Analytics and AdWords and other online tools to determine the best online marketing strategy.
- Developed and executed effective marketing strategies for expanding global market.
- Help with planning and organizing offline speed-dating events.
- Contacted major online forums and Chinese associations around the globe to expand corporate relationship.

MySelf Ltd., New York, NY

September 2013—June 2014

Business Development and Public Relations Intern

- Developed strategies on how to make the most of MySelf's marketplace niche, differentiating it from competitors.
- Researched online and offline on how to expand MySelf as business.
- Managed MySelf's official Facebook page and other social media platforms
- Drafted news releases and other PR materials for publicity use.
- Contributed to the entrepreneurial spirit of MySelf

I.F. (Ideal Female) at UW, Seattle, WA

May 2013—June 2014

President

- Founded I.F. and sought partners with unique skills, passions and strong will for future development.
- Created I.F.'s main purpose and designed the logo, promotional video, official webpage and posters

- Established clear target and developed good ability to solve emergencies.
- Developed strong communication and cooperation skills with whole team and participants
