-

EDUCATION

Bachelor of Science in Biology, 2015, GPA 3.42

THE PENNSYLVANIA STATE UNIVERSITY, University Park, Pennsylvania

Relevant Coursework: Function and Development of Organisms/Lab ▪ Organic Chemistry/Lab ▪ Mammalian Physiology/Lab ▪ Molecules and Cells/Lab ▪ Medical Embryology ▪ Human Genetics

EXPERIENCE HIGHLIGHTS

MONTGOMERY COUNTY CORONER'S OFFICE, Norristown, Pennsylvania

Intern, 2015

Relevant Skills: Laboratory Procedures, Laboratory Safety, Data Collection, Team Collaboration

Assisted Forensic Pathologists and technicians with autopsies and evidence collection at crime scenes to develop skills and experience in forensic procedures, safe laboratory operations, and use of specialized lab equipment. Learned data collection and recording procedures as well as lab administrative processes by assisting with documentation, reporting, and communication.

Key Contributions:

- Contributed to the Montgomery County Overdose Death Initiative, a project to develop insight and understanding into the high rate of local deaths due to overdose, by accurately compiling and entering data.
- Ensured the stability and safety of crime scene evidence in compliance with coroner's office policies and evidence collection protocols.

KEVIN MORAN, PAGE 2

PENN STATE STUDENT HEALTH CENTER, University Park, Pennsylvania

Volunteer, Physical Therapy Department, 2014-2015

Relevant Skills: Regulatory Compliance, Patient Information/Data Collection, Analysis

Assisted Physical Therapists with diagnosis and treatment of a range of conditions. Collected patient information, recorded data, and analyzed symptoms to determine likely causes and effective treatment protocols, working under the close supervision of licensed medical staff.

Key Contribution:

- Strictly adhered to all health center policies and healthcare regulations, including patient confidentiality and HIPAA regulations.

GLOBAL MEDICAL BRIGADES

Volunteer, 2013-2015

Relevant Skills: Team Collaboration, Medical Equipment Setup/Operation, Sterile Environment

Collaborated with medical and non-medical teams to set up facilities for free healthcare in an underprivileged region of Panama. Organized medical supplies, clinical areas, and work areas, including set up of sterilization and other medical equipment.

Key Contribution:

- Maintained cooperative and positive working relationships with other volunteers and project leaders to achieve project goals.

TARGET BUILDING CONSTRUCTION, Crum Lyne, Pennsylvania

Laborer, 2014

Relevant Skills: Safety Compliance, Equipment Operation

Facilitated the renovation of a nursing home by assistant professional carpenters in a range of woodworking and installation projects. Safely operated power tools and related equipment, following all health and safety policies. Read and interpreted plans and instructions.

CENTRE COUNTY PAWS, State College, Pennsylvania

Volunteer, 2012-2013

Relevant Skills: Safe Operations, Regulatory Compliance

Supported the operations of a non-profit animal shelter by caring for rescue dogs, including exercising animals, basic grooming, feeding, and cleaning facilities. Ensured personal safety and the safety of shelter staff and animals by following all policies and procedures related to animal handling and interaction.

NITTANY LION INN, University Park, Pennsylvania

Server, Bartender, & Expeditor, 2012

Relevant Skills: Collaborative Teamwork, Communication, Organization

Sustained a welcoming and friendly atmosphere to provide exceptional customer service and quality food and beverages to patrons. Worked collaboratively with kitchen staff and servers to expedite orders and drive efficiency in a fast-paced environment.
