School email: awestren@andrew.cmu.edu

Personal email: awestren1910@gmail.com

OBJECTIVE: To obtain a full-time position that will allow me to build upon my acquired knowledge of chemistry, business orientation, and problem solving and interpersonal skills in order to grow as a leader and further enhance the success of the company.

EDUCATION

Carnegie Mellon University, 5000 Forbes Avenue, Pittsburgh, PA 15213

Bachelor of Science in Chemistry

Minor: Business Administration

Overall GPA: 3.24

Chemistry GPA: 3.30

Dean's List: Spring 2013, Fall 2013, Spring 2014

RELEVANT EXPERIENCE

The Lubrizol Corporation (Lubrizol Advanced Materials), Cleveland, OH 44141

Research and Development Intern – Paints, Coatings, and Adhesives

May 2013 to August 2013

- Worked under a lead application chemist to create and test anti-corrosive coatings for various metal substrates.
- Created spreadsheets and presentations for members of the marketing team, polymer chemists, and technology managers in the performance coatings division.

Strickland's Frozen Custard, Cuyahoga Falls, OH 44221

Manager, *June 2009 to August 2012*

RELATED COURSEWORK

- Completed four semesters of chemistry lab, two of which were based in organic chemistry and one that was based in analytical chemistry.
- Numerous business courses have led to a strong familiarity with economic and entrepreneurial principles, and even allowed for partnering with a local karaoke organization to develop a successful marketing strategy aimed towards Pittsburgh-area college students.
- *Additional Courses:* Modern Organic Chemistry I & II, Physics I & II with Lab, Modern Biology with Lab, Principles of Economics, Physical Quantum Chemistry, Business Society and Ethics, Thermodynamics, Introduction to Accounting, Inorganic Chemistry, Modern Analytical Instrumentation, Biochemistry, Marketing, Modern Chemistry I & II, Introduction to Business Management, Entrepreneurship, Microbiology, Green Chemistry.

SKILLS

- Proficient with many valuable laboratory techniques, such as high-performance liquid chromatography, infrared spectroscopy, nuclear magnetic resonance spectroscopy, GC-MS, and many others.

ACTIVITIES

- Varsity Football
 - Three-year letter winner as a quarterback and special teams player.
- Fellowship for Christian Athletes
- Doctors of Carnegie Society
