## PROFESSIONAL EXPERIENCE

---

**International Alliance Associates (Private Equity)**

**New York, NY**

*Research Analyst Intern*

September 2014-December 2014

- Composed several Investment teasers and Business proposals for potential clients to IAA.
- Assisted CEO in providing solutions to companies that were seeking assistance in partnering with local partners in the GCC countries.
- Assisted CEO in private equity cross-border M&A deal making, technology transfer and scaling relevant platforms into GCC emerging markets.

**Ping Capital Management**

**New York, NY**

*Summer Analyst*

Summer 2013, Summer 2014

- Worked as a Research Intern in a mid sized hedge fund gathering macroeconomic data, doing research and executing trades on listed options.
- Results of Intern Work
  - Built spreadsheet models to forecast Argentina GDP growth based on agriculture outputs, industrial production, consumption, exports/imports, and construction spending. It led directly to the Fund's strategic investments in Argentina stocks, bonds, and GDP growth linked warrants, resulting in close to 40% return in 2013.
  - Compiled equity research on Argentina stocks such as YPF.
  - Executed listed options trading, such as calls and puts on ETFs, including SPY, TLT, IWM.

**NYU Phonathon**

**New York, NY**

*Student Fundraiser*

February 2012 – April 2012

- Contacted NYU alumni through telephone and asked for donations.
- Result of Experience:
  - Personally raised over \$1000 in alumni donations. Contributed to over \$3 million in total alumni donations.
