## EDUCATION

- Summer 2015 **TUCK SCHOOL OF BUSINESS AT DARTMOUTH** Hanover, NH  
*Bridge Business Program*
- Developed skills in financial accounting, corporate finance, strategy, economics and marketing in an intensive, highly competitive business program with long working hours
  - Evaluated Whole Foods' current financial position and business strategy, projected future earnings through market research and a discounted cash flow analysis and presented results to investment professionals
  - Awarded, as a team, for best presentation in class, demonstrating understanding of company and sector
- 2011 – 2015 **BOSTON UNIVERSITY** Boston, MA  
*B.S. Computer Engineering* Major GPA: 3.6/4.0 (*Dean's List*)
- Elected Music Director of *The Dear Abbeyes*, BU's premier men's a cappella group '13-'14
  - Coursework: *Economics of Engineering, Business Technology & Innovation, Statistics, Multivariate Calculus*
- 

## EXPERIENCE

- Summer 2015 **MAYFLOWER ADVISORS** Boston, MA  
*Financial Advisor Intern*
- Wrote investment summaries detailing performance and expenses for our recommended selection of funds in order to explain Mayflower's investment process to institutional prospects
  - Developed equity/fixed-income allocation models to serve clients of varying risk tolerances
  - Analyzed sophisticated 401(k) plans and communicated investment options, loan options, and withdrawal timelines to plan participants
- Sep 2014 - May 2015 **SCHNEIDER ELECTRIC** Boston, MA  
*Junior Development Engineer*
- Led team of 5 junior engineers in designing a cost-efficient, user-friendly touchscreen appliance for managing an office building's systems to facilitate maintenance tests
  - Cooperated with Schneider Electric product managers and marketing specialists to understand customer needs, pricing, competition, and changing technical requirements
- Summer 2014 **AMERICAN INTERNATIONAL GROUP (AIG)** Boston, MA  
*Summer Claims Analyst*
- Evaluated profitability by industry, region and made recommendations for AIG's business expansion
  - Systematized the reporting of claims and ensured manual payment to clients to reduce errors
- Summers 2012 & 2013 **NEW ENGLAND CONSERVATORY** Boston, MA  
*Viola Coach*
- Led viola sectionals daily and full 40-piece string section rehearsals in works by Gershwin, Brahms
  - Received "Best Guest Conductor Award" for leading orchestra
- 2011-2013 **BOSTON SYMPHONY ORCHESTRA** Boston, MA  
*Tenor*
- Performed works by Beethoven and Mendelssohn in a highly selective chorus and world-class orchestra
- Summer 2011 **MIT KOCH INSTITUTE FOR INTEGRATIVE CANCER** Cambridge, MA  
*Research Assistant*
- Worked closely with Tyler Jacks, Director of the Koch Institute and Principal Investigator of the Jacks Lab
  - Utilized bio-lab techniques to design DNA sequences, encase them in a protective viral vector, and install them in mouse specimens to observe gene efficacy against cancer
  - Manipulated DNA in cancerous cells to inhibit metabolism and ATP production
- 

## PERSONAL

- *Harvard Business Review* Online Courses: *Financial Accounting, Corporate Finance*
- Proficient in Excel, Powerpoint, DCF Modeling
