**EDUCATION:**

---

**Wentworth Institute of Technology**, Boston MA **Class of 2013**  
*Bachelor of Mechanical Engineering Technology*  
*Minor in Manufacturing Technology*

**Boston Latin School**, Boston, MA **Class of 2009**  
*High School Curriculum*

**COURSEWORK:**

---

Calculus/Differential Equations	Physics	Strength of Materials	Fluid Mechanics
Mechanical Graphics	Chemistry	Thermodynamics	HVAC Principles
Mechanical Design	Statics	Computer-Aided Manufacturing	Heat Transfer

**WORK EXPERIENCE:**

---

**Bard, Rao, and Athanas Consulting Engineers**, Watertown, MA **9/12 – 12/12**  
*HVAC Engineering Intern*

- Primary responsibility was assignment to design engineering group and was responsible for updating existing HVAC blueprints. Applied CAD skills learned from college curriculum along with practical on-the-job-training in the successful performance of assigned duties in support of a project team.
- Collaborated with engineering team for Boston Children's Hospital project tasked with a redesign to exterior sections of their building in the Longwood area of Boston.
- Provided support and maintenance for materials and miscellaneous logistical needs.
- Performed other self-initiated tasks as required.

**Wentworth Institute of Technology**, Boston, MA **1/12 – 5/12**  
*Laboratory Assistant*

- Assisted students with laboratory assignments and instructed proper machine use.
- Tutored professors and senior technicians with machine maintenance/repair and small projects.
- Maintained 3D printing machines and assisted those unfamiliar with them.
- Supported professor/instructor in maintaining operator safety throughout scheduled laboratory hours.

**TeamOps**, Foxborough, MA **6/10 – 1/12**  
*Security Personnel*

- Responsible for providing security guard services for events at Harvard Stadium, Boston College, and Gillette Stadium.
- Assisted patrons with seating and other information whenever required.
- Performed parking and traffic duties as required.
- Maintained contact with police and emergency medical personnel in assigned stadium and grounds.

**VOLUNTEER EXPERIENCE:**

---

**Wentworth Institute of Technology Labs**, Wentworth Institute of Technology, Boston, MA **5/12 – 8/13**  
*Senior Lab Assistant*

- Assisted students with laboratory assignments and instructed proper machine use.
- Maintained 3D printing machines and assisted those unfamiliar with them.
- Supported professor/instructor in maintaining operator safety throughout scheduled laboratory hours.

**Harry Keefe Library Media Center**, Boston Latin School, Boston, MA **9/07 – 6/09**  
*Senior Tech-Aide*

- Provided computer and instruction and technical support to students and faculty.
- Facilitated students and staff in operating various editing software programs.
- Assisted librarians with various administrative tasks.

**TECHNICAL SKILLS:**

---

**3D Printing:** Proficiency with 3D printing machinery and software, including U-Print, Objet, and Z-Corp brand printers. Skilled with 3D-printed part removal and cleansing, as well as 3D printer maintenance.

**Computer:** AutoCAD and SolidWorks, LabView, film and video editing software, and in general computer maintenance spanning Windows XP and 7. Familiar with computer mechanics and repair.

**Languages:** Some knowledge of Spanish and Latin (4 years of study).

**Other:** Highly creative, organized, dependable, and efficient in work assignments. Able to work in a fast-paced environment and motivated self-starter.
