Work Experience

Intern at University of Saint Joseph

June 2014–Present (internship ends August 1, 2014)

- Working with the university's marketing and communications department to promote the visual brand of the university through print and digital designs. Creates banners, flyers, and various advertizments.

Intern at Source Marketing, Norwalk, CT

June 2013–August 2013

- Part of the creative team at a marketing agency. Worked on in-house assignments and created various advertisements and campaigns for different clients including Pepperidge Farm, Reckitt Benckiser, and Tyson. Worked with team members and clients to gain an understanding of how a successful marketing agency works. Participated in intern events with Source Marketing's partner company, MDC Partners in New York.

Customer assistant, culinary artist, cashier, and barista at Stew Leonard's, Danbury, CT

August 2008–Present

- Create gift baskets, concept and install window displays, manage all holiday orders, train new employees, open and close departments independently.

Clients

Solomine Contracting Company, Danbury, CT, July–August 2012

- Worked with contractors and architects to create a detailed illustration of a foundation fill.

Immaculate High School, Danbury, CT, January 2013

- Designed yearbook templates

State Cutter Grinding Company, Inc., Seymour, CT, August 2013–February 2014

- Designed logo and double-sided mailing brochure.

Exhibitions/Publications

Folio, Southern Connecticut State University Literary Magazine, 2013–2014

Graphic Design Defined, Southern Connecticut State University Exhibition, 2014

Post-It Show, Southern Connecticut State University Exhibition, 2012–2013

Accomplishments

Designer and curator for Southern Connecticut State University's graphic design exhibition. Spring 2014.

Residential Academic Award: Southern Connecticut State University, 2010–2013

Art Award: Immaculate High School, Danbury, CT. 2010
